

## Don't Forget to Vote!

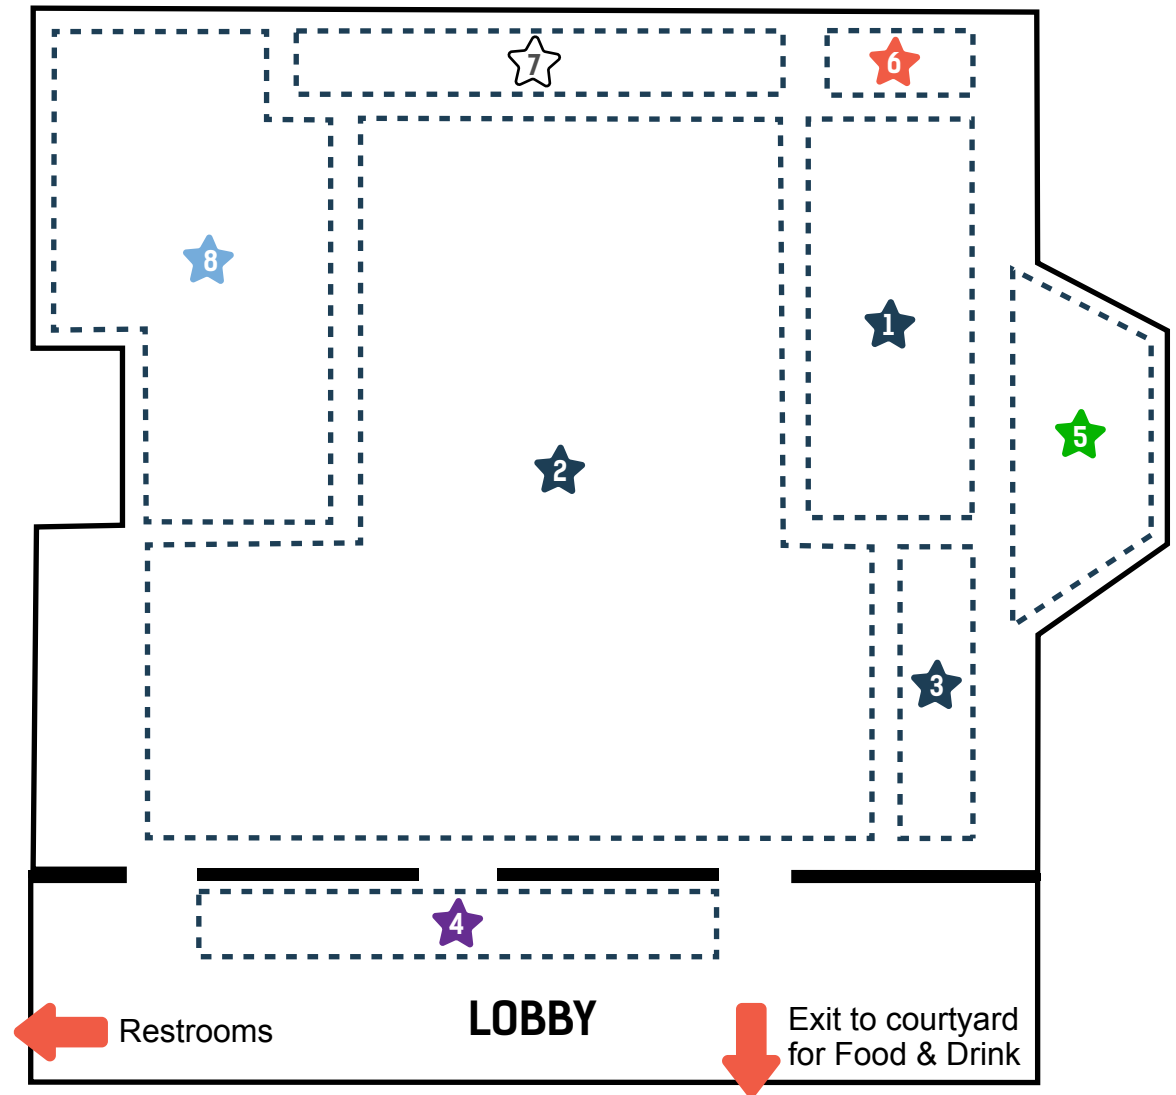

Once you get your 3 star stickers from MakerFest staff, you can vote for your favorite MakerFest projects!

Each MakerFest exhibitor has a gridded voting sheet at their table. To vote for a project, add a sticker to the voting grid. You can put all 3 of your votes into one category or project, or across multiple categories and projects.

There are three prize categories:

## Event Zone Descriptions

### 1 Exhibit: Individual Makers

Explore projects created by individual makers at BeAM, from fiber arts to laser-cut creations! These projects were made for varying purposes, from personal hobby to academic research.

### 2 Exhibit: Class Projects

Check out projects created by students from these courses: AMST 398, APPL 110, APPL 240, APPL 412, APPL 496, APPL 590, ASIA/PWAD 069, DRAM 588, NSCI 405, PHYS 395, and PSYC 330.

### 3 Exhibit: BeAM Staff Showcase

Visit the BeAM Textiles table to see a stuffed animal army, and check out the results of a staff-created design challenge led by the BeAM student staff!

### 4 Activity: MakerFest Photo Ops

Snap a commemorative photo on your way into or out of the event! ShopBot Tools will be bringing their life-size TARDIS, and BeAM staff have created a beautiful floral backdrop from 3D prints.

### 5 Onstage: Tool Demos

BeAM has partnered up with RYOBI, ShopBot, and Shaper to demo some of our favorite makerspace tools. Stop by to talk with them and see these technologies in action!

### 6 Tickets for Food & Drink

Don't forget to grab your ticket to be able to pick up your pizza slice and drink! Limit one ticket per attendee, please.

### 7 Activity: Make Your Mark

Are you a high-tech or low-tech maker? Do you like fiber arts or digital fabrication - or both? Scribble on our graffiti wall, and add your mark to the MakerFest maker identity matrix.

### 8 Activity: Be a Maker

Decorate and make your own MakerFest buttons to take home! Grab a MakerFest temporary tattoo and spend some downtime in our Maker Meditation area.
