

Remember to Vote!

Once you get your 3 star stickers from MakerFest staff, you can vote for your favorite MakerFest projects!

Each MakerFest exhibitor has a gridded voting sheet at their table. To vote for a project, add a sticker to the voting grid. You can put all 3 of your votes into one category or project, or across multiple categories and projects.

There are three prize categories:

Most Creative

Innovative and Out-of-the-Box

Best Mixed Media

Multiple Tools or Materials

Best All Around

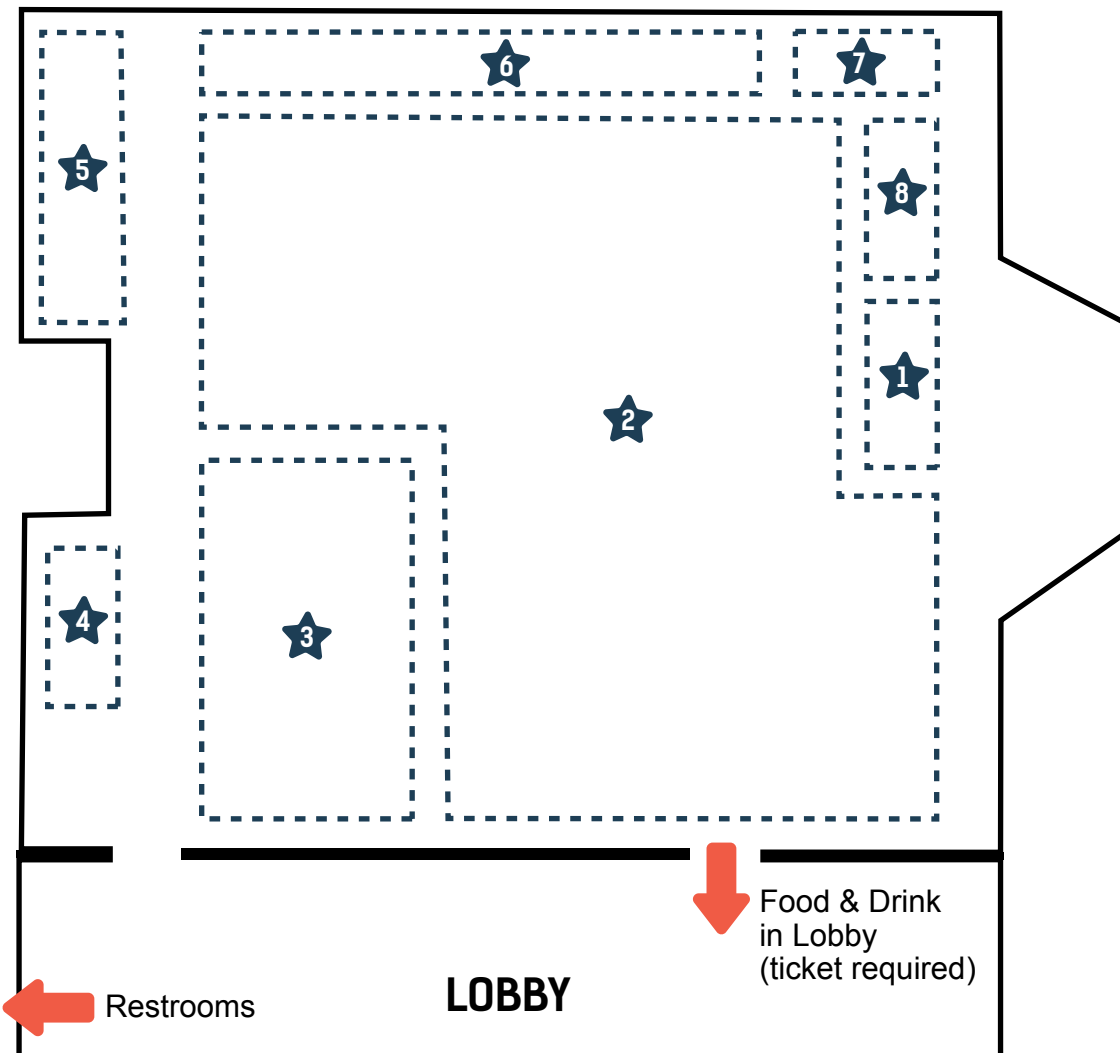

MakerFest Favorite

Prizes provided by:

Event funded by:

CAROLINA
PARENTS COUNCIL

Event Zones

- ★ 1 Exhibit: BeAM Staff Showcase
- ★ 2 Exhibit: Course Projects
- ★ 3 Exhibit: Individual Projects
- ★ 4 Exhibit: Tool Demos
- ★ 5 Activity: Be a Maker

- ★ 8 Activity: RYOBI Mural

Event Zone Descriptions

1 Exhibit: BeAM Staff Showcase

See what the BeAM student staff have been working on this year!

2 Exhibit: Course Projects

Explore projects created by academic courses: AMST460H, APPL110, DRAM766, GEOG115, SPAN321, PSYC330, & more!

3 Exhibit: Individual Projects

Explore various projects created by individual makers.

4 Exhibit: Tool Demos

See tools for desktop embroidery and sustainable 3D printing.

5 Activity: Be a Maker

Create your own button, or grab a MakerFest temporary tattoo!

6 Activity: Make Your Mark

Take an instant photo, or add some flair to the graffiti wall.

7 Food Ticket Table

Pick up a ticket for a slice of pizza and drink (one per attendee).

8 Activity: RYOBI Mural

Use tools to add to our event mural alongside the RYOBI team.

Project Descriptions

Scan the QR code to the left to read descriptions of each exhibitor's project at the Spring 2023 MakerFest event!

Visit each of the four stations described above to earn a different colored sticker piece, then add it to the gear above for a paint-by-stickers design!

Need help? Find a BeAM staff member with an orange shirt.
